

SecureFit™ Bars

The innovative device that secures Bionix Positioning devices to the Exact™ Couch.

Bionix has developed the SecureFit Bar and the SecureFit Sliding Bar to lock down to the Varian Exact™ Couch, as well as bars for most couches. This positioning aid will help with exact and precise positioning throughout the entire treatment.

To order, or for more information call **Bionix Radiation Therapy** at 1.800.624.6649 or visit us on the web at www.BionixRT.com.

SecureFit™ Bars include the following varieties:

Carbon Fiber SecureFit™ Bar (RT-7010)

SecureFit™ Bar (RT-5010A)

SecureFit™ Sliding Attachment (RT-5015)

SecureFit Bar™ II (RT-5012A)

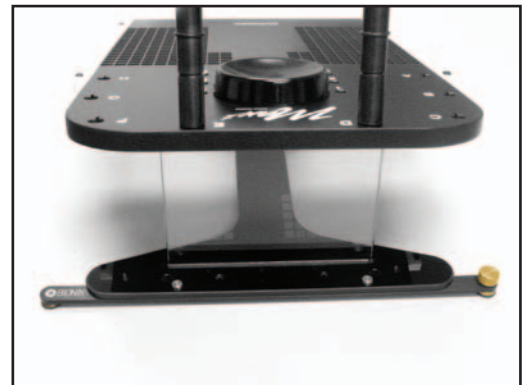

Elekta™ Bar (RT-5018)

RT-5007 Phillips Bar

RT-5008 GE Bar

RT-5009 Nucletron Bar

A variety of SecureFit Bars index Bionix positioning devices to the couch top. Shown with Max2™ (above) and the SuProne Plus with 45° attachment (below).
